New homepage & product pages

New homepage and product page

The design of the homepage and product page has been updated, but the functionality remains the same.

User selects from the dropdown on the homepage and is taken to the correct product page...

New homepage

Please take all sizing from the PSD document.

All graphics are vector files embedded in the PSD document, which can be exported as svg's to ensure they remain sharp at all sizes

Desktop

New navigation tabs

New intro section

Restyled dropdown section

Restyled services section

Chat banner

Restyled footer

TheHR.shop

Clear, honest information & solutions from HR experts.

ABOUT US | OUR EXPERTS | RESOURCES | PRODUCTS | CONTACT US

How it works...

New product page template

Notes on how to set up the template in Wordpress

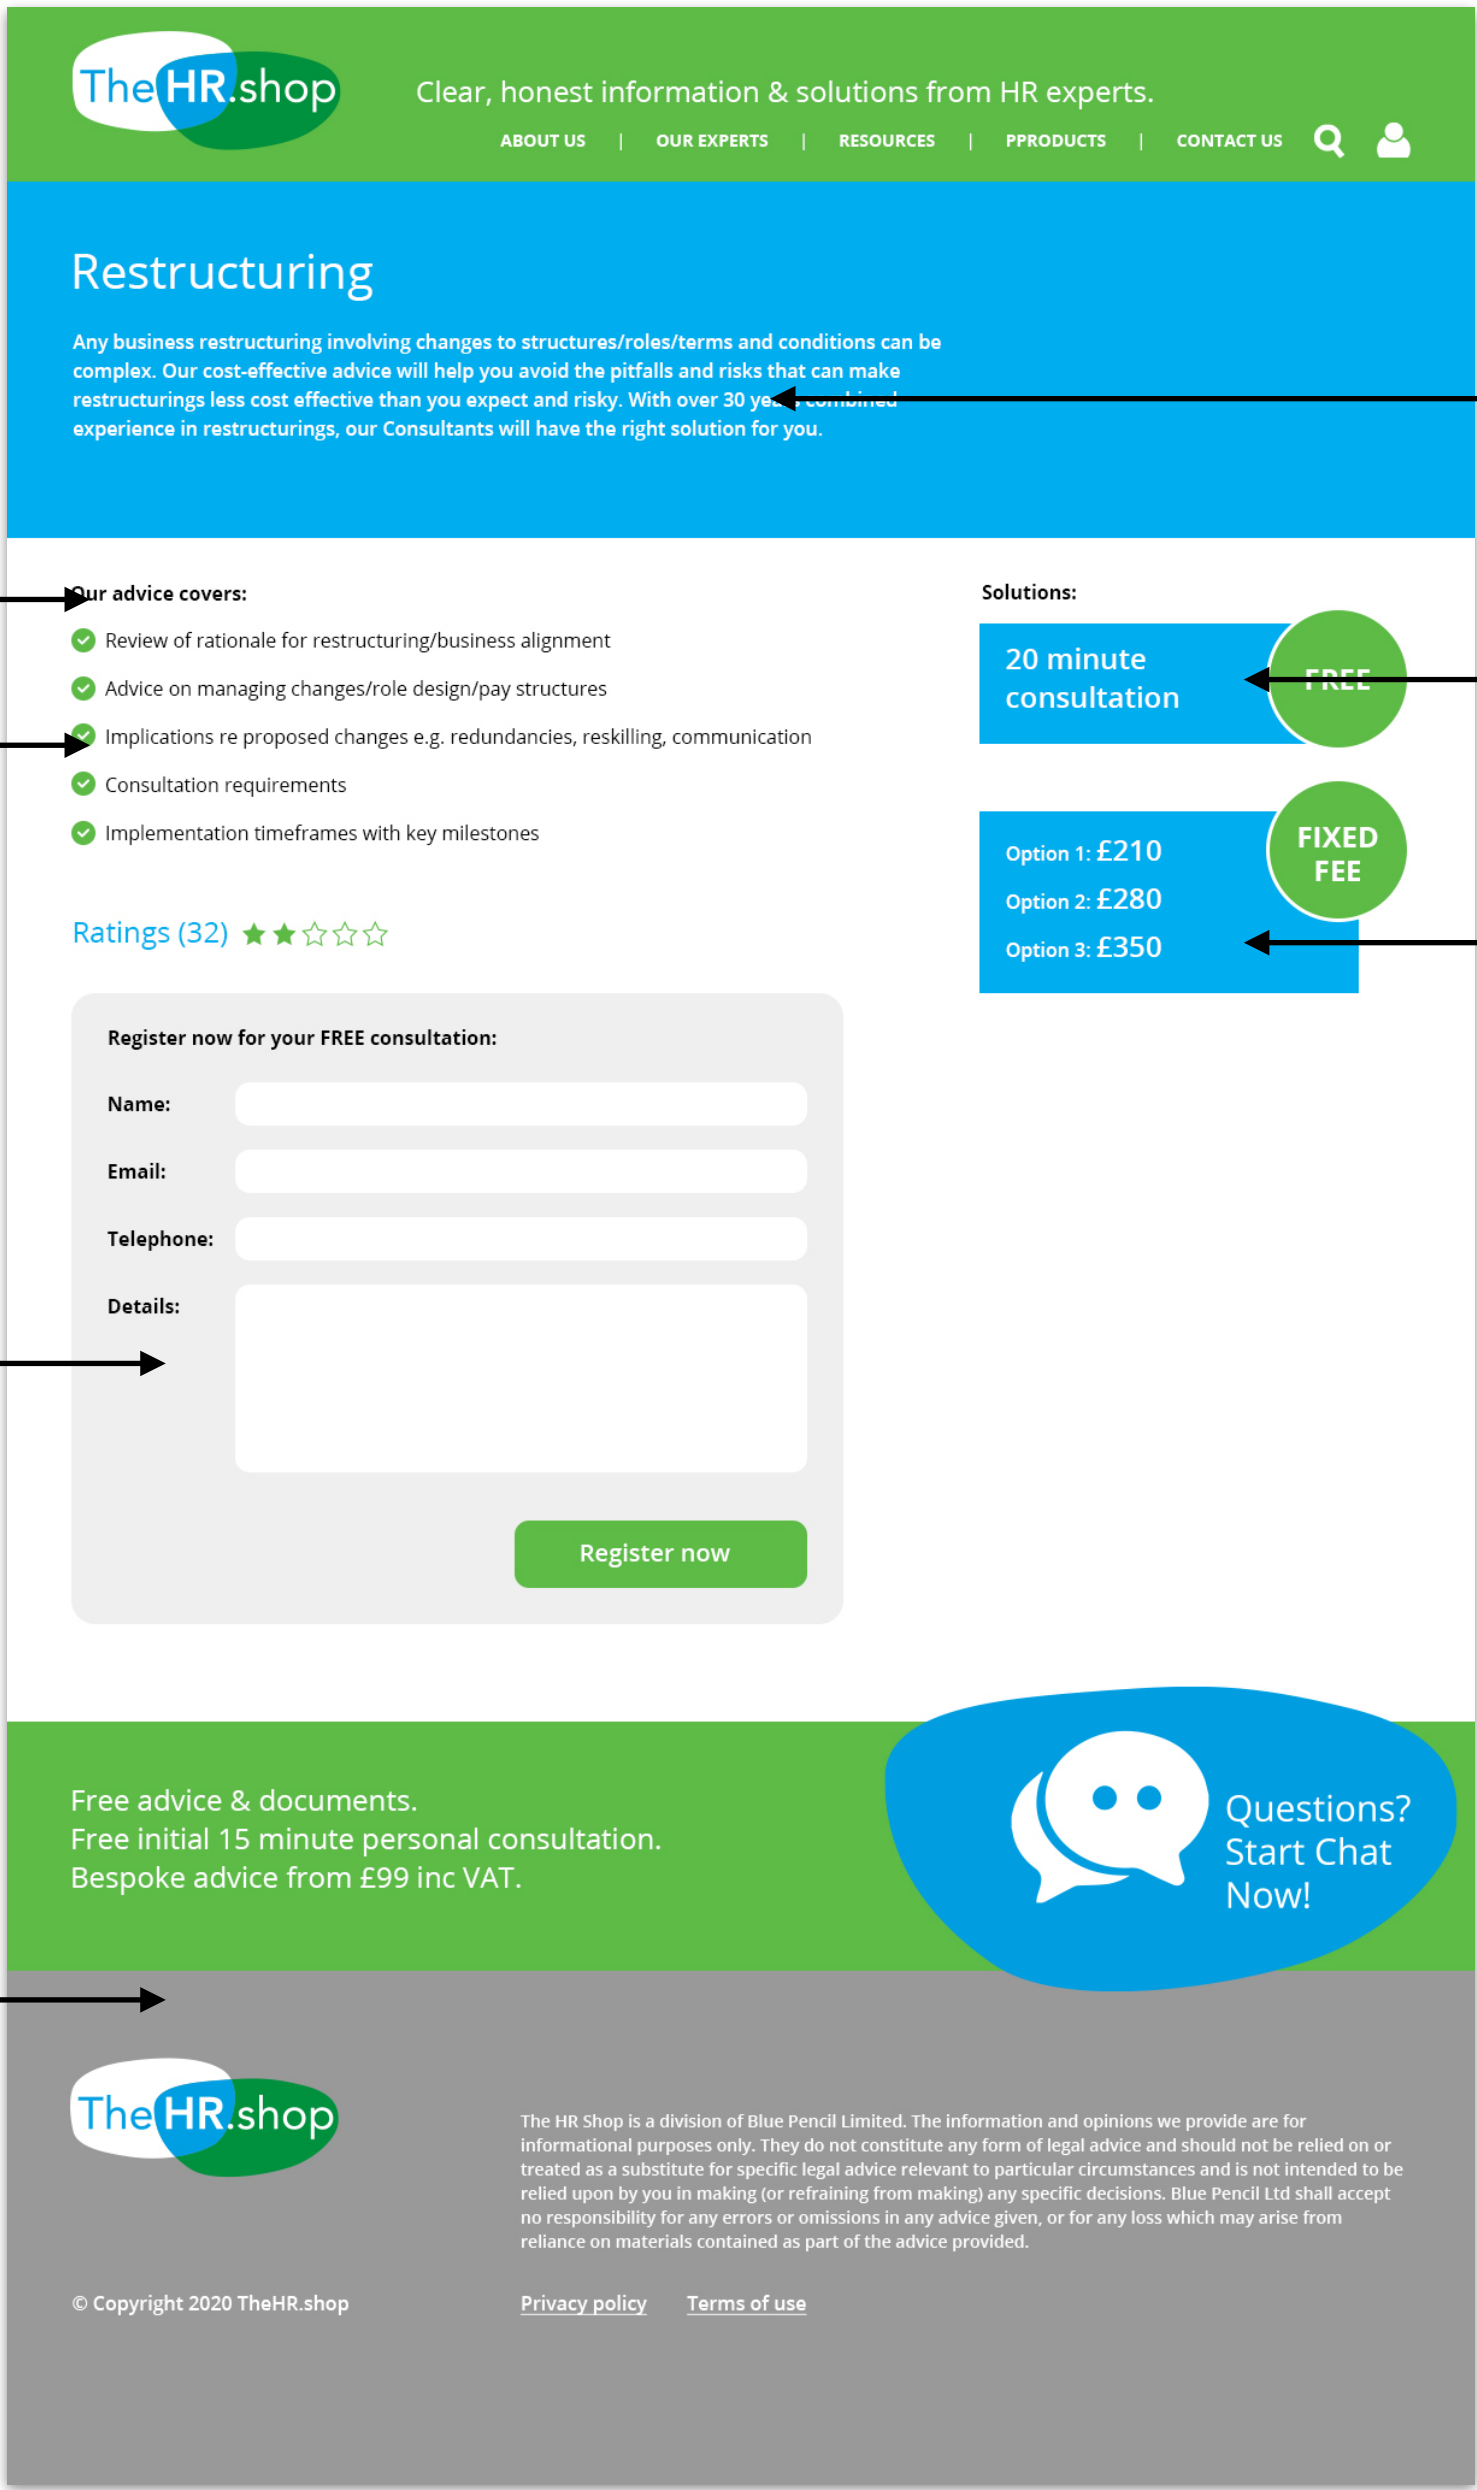

Title (dynamic)

Sub title (static)

List (dynamic)
Please style bullet point to appear as the tick icons

Form can be static as it's the same for every page

Chat banner and footer can be outside of template

Intro copy (dynamic)

Consultation box (text dynamic) FREE roundel is static

Fixed Fee box (text dynamic) FIXED FEE roundel is static

We will need a second version of the Fixed Fee box where the dynamic text is all the same size (16px)

We will also need the option to turn these boxes on and off for each product
